## Explorer Scouts keep blazes under control

by JANE POLZIN

On shore the fire blazes. In a red boat nearby, Explorer Scouts and Antioch Fire Dept. volunteers battle the blaze.

The scene is a practice session, in which the Explorers are helping train the fire department volunteers to use the boat.

Two years ago Explorer Post 88, sponsored by the A.F.D., accompanied the department on a call to a boat fire to provide them with coffee and refreshment. What followed was described as a "fine fiasco," because of difficulty fighting the fire due to difficulty keeping the department's tankers filled with water.

THROUGH THE donation of a water ski boat that needed some work, the Scouts were able to convert it into a fire rescue boat through the help of volunteers, said the Post's Advisor Wally Mitchell.

The Explorers "did a great deal of the work themselves," Mitchell said. The boat is now available for use by the Antioch Fire Dept. or by any other community on the Chain O' Lakes.

The boat can be of service in a variety of ways. As a rescue boat, it is equipped with emergency Oxygen and will soon have diving equipment for use by either fire department divers or certified members of the Post, Mitchell said.

As a rescue boat, it is equipped with emergency Oxygen and will soon have diving equipment for use by either fire department divers or certified members of the Post, Mitchell said.

BESIDES ITS ABILITY to fight fires directly through pumping a powerful 1,500 gallons per minute, the boat can be anchored to run hoses to shore. This is helpful when the fire trucks can't get close enough to shore to hook up with the water supply, Mitchell explained.

Because there are few fire hydrants in rural areas, this feature could save fire trucks from "having to run as many tankers which transport water," he added.

Besides its work with the boat, the Post supports the fire department in other activities, for example, by helping care for equipment.

With two runs to its credit, the boat has assisted fighting a boathouse fire on Channel (Continued on Page 7)

## Football contest? It's a tie!

There was a tie in this week's Antioch News Football Contest, so there are two first place winners to announce.

Thelma Keulman and Marilyn J. Sterbenz both picked Antioch to win against Warren by three points. The two even tied on the tie breaker, picking the Bears to beat the Dolphins by three points.

They will both receive gift certificates for

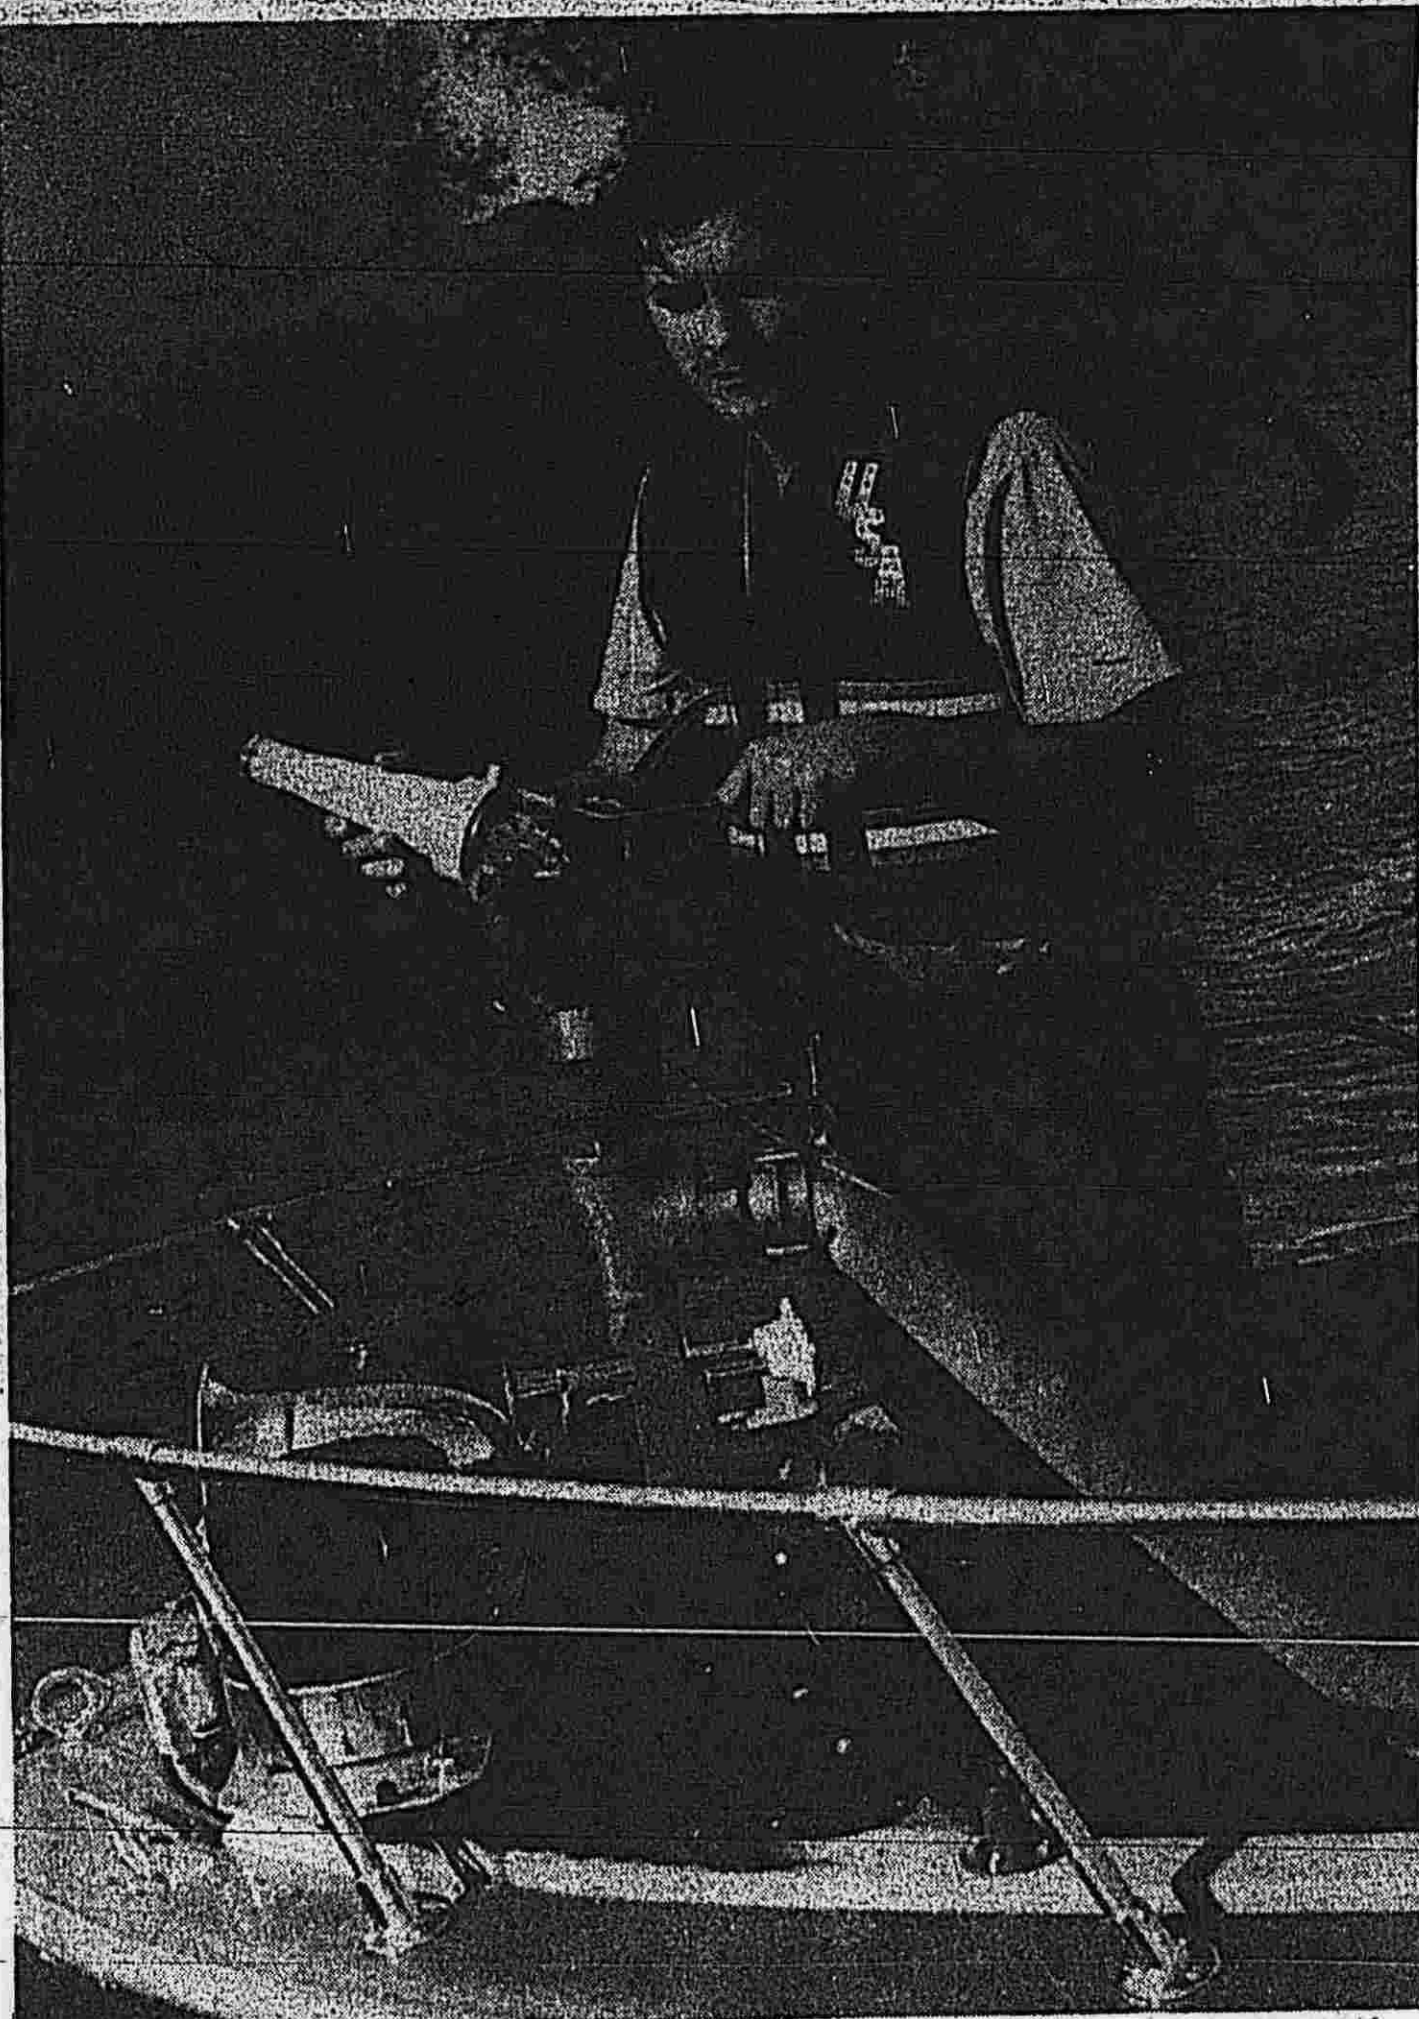

\$15 for the unusual tie.

The third place winner is Sue Koppa, who picked Antioch to win by six points. She will receive a \$5 gift certificate for her good football sense.

Congratulations to this week's winners! An entry blank for next week's contest can be found elsewhere in this paper.

COMMUNITY SERVICE PROJECT — Displaying-scoreboard donated by Antioch Rotary to Allendale School for Boys are, from left, Tom Kelly, Rotary president, Bob Holway, executive director of Allendale School, Homer White, chairman of Rotary's annual barbecue and auction and Kanwarjit Singh, Allendale's assistant residential units director. Rotary is looking to many other community-based projects for which it raises funds through annual pork chop barbecue and auction to be held Sept. 29. Barbecue dinner will be served from 6-9 p.m. at Antioch Auction Center on North Ave., with auction beginning at 7:30 p.m. Dancing will take place from 10 p.m.-1 a.m. Tickets can be purchased from Rotary members and at Antioch banks or savings and loan. Cost of each ticket is \$7.50.

READY FOR GOLF TOURNEY — As Antioch Open Golf Tournament nears, Jim Urban, left, Harbor Ridge pro gives pointers to William H. Schroeder, publisher of Antioch News. Competition begins Saturday, Sept. 29 and will be completed Sunday, Sept. 30 at Harbor Ridge Country Club, Rte. 59 and Grass Lake Rd. Wednesday, Sept. 26 is deadline for registration. For additional information call Urban at 395-3004.

# Bikers plan all-out effort to save lives this Sunday

If you see a lot of bikes being pedaled around the Antioch area Sunday, Sept. 30, don't get the idea that it's an all-out effort to save gas. Instead, it will be an all-out effort to save lives.

Dozens of children and adults will be participating in the Antioch Township Cancer Society Bike-A-Thon.

This year's route in Antioch will again cover seven miles, starting at the Antioch Fire Station. The Bike-A-Thon begins at 9 a.m., and cyclists can pick up entry blanks at all area schools, at

the Antioch Village Hall, Antioch Township Library, State Bank of Antioch, The Shoe Box, and Four Squires.

Pres Reckers, chairman of the Bike-A-Thon, said he is encouraged by the response for entry blanks, indicating that the proceeds may exceed last year's total sponsor donations of close to \$6,000.

Participants are obtaining sponsors prior to Sunday's ride. Parents, teachers, friends, relatives, neighbors, merchants, and businesses are being asked to sponsor participants for each mile

they ride.

Riders can carry a small passenger if they wish, and sponsors for the little one can also be obtained.

Sponsors should be told that their tax deductible contribution will be used for the American Cancer Society and they must sign the sponsor sheet. The riders are responsible for returning to their sponsors after the ride to collect the money pledged. All money will be turned in to the State Bank of Antioch to be deposited in a special account for the Cancer Society.

This year's route in Antioch will be: Antioch Fire Station west on Orchard St. to David St., south to Lake St., west to Tiffany Rd., north to North Ave., east to Deep Lake Rd., south to Little Silver Lake Rd., and west to point of beginning.

Participants are encouraged to ride the route as many times as they are able, but no one is to pass through checkpoint one at the fire station after 3 p.m.

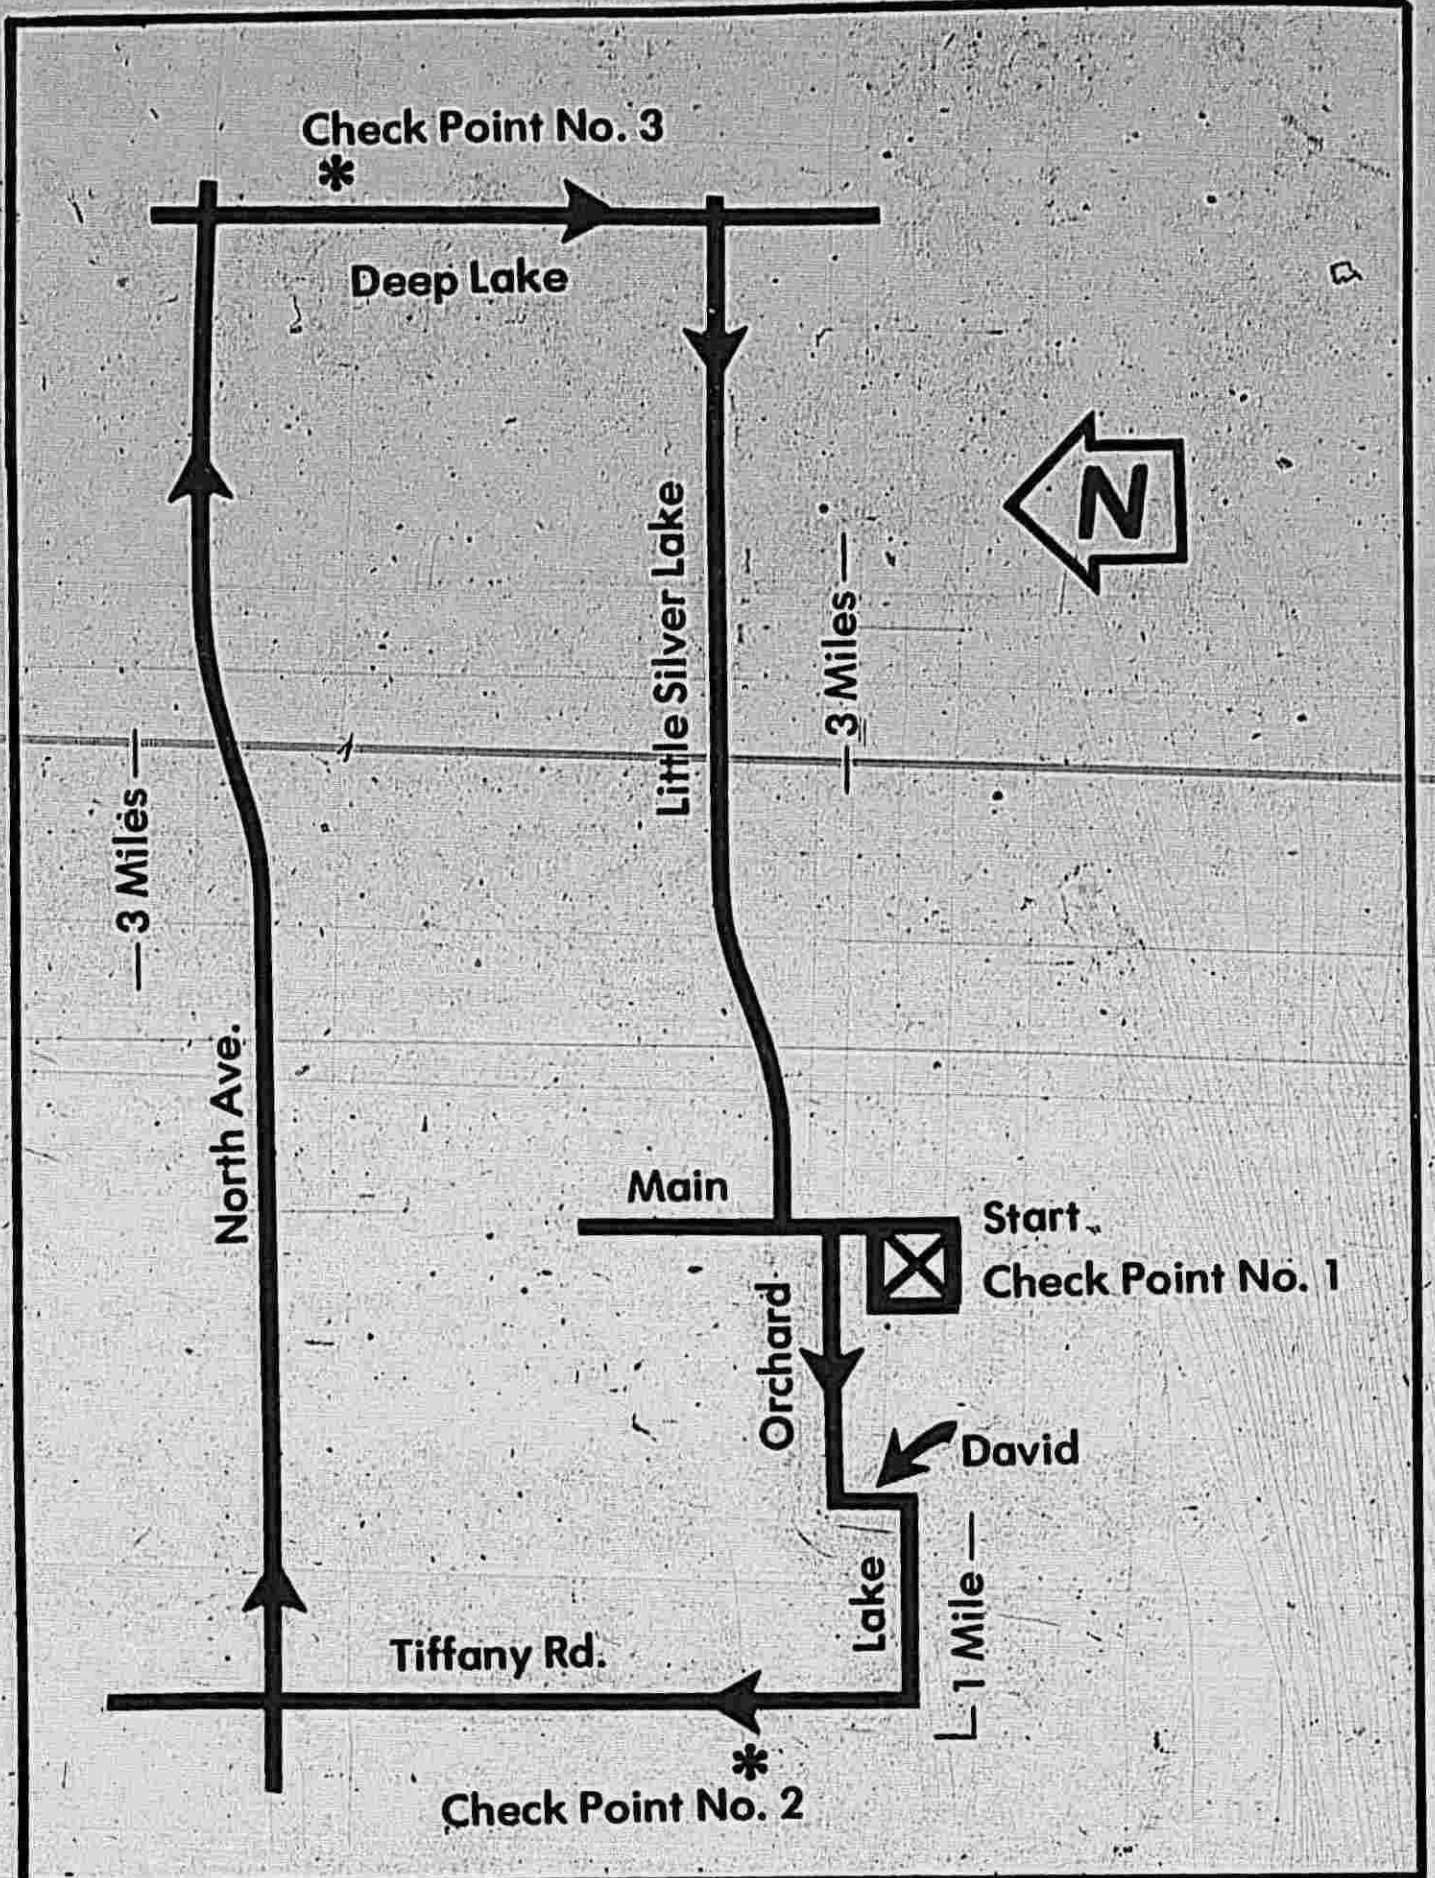

Prizes of bicycles will be awarded to the riders who turn in the most money to the Cancer Society.

First prize of a 10-speed bike is donated by the State Bank of Antioch, second prize of a five-speed bike is donated by The Shoe Box, and third prize of a three-speed bike is donated by Four Squires.

Last year's winning riders were: Sean O'Connell, first prize, with a total of \$1,029.75; Tim Cook, second prize, with \$718.50; and John Higgins, third prize, with \$396.88. John Burnett, an employee at the State Bank, rode on behalf of the Jaycees and turned in a total of \$1,029.75 in pledges.

Bike-A-Thon Chairman Reckers said that because of the real community effort and personal involvement on the part of interested citizens, including members of the fire department, police department, and Antioch Jaycees, this event has become increasingly successful each year.

**BEAVER CHARTERED** Beaver Ltd., of Rte. 83 and Beach Grove Rd., Antioch, was chartered as a business corporation by Sec. of State Alan J. Dixon.

**CANCER BIKE-A-THON ROUTE** — Bicycles will be zooming around this route between 9 a.m. and 3 p.m. Sunday, Sept. 30 during Antioch's Cancer Bike-A-Thon.

**WARNING SIGNS** — Antioch Jaycees Glenn Hendrickson, from left, and Wally Jaskowski put up signs to warn motorists that flocks of bike riders will be touring a 7-mile route in the Annual American Cancer Society Bike-A-Thon this Sunday. Picture was taken prior to last year's Bike-A-Thon and shows one of Jaycees many community projects. Thanks to cooperation of members of fire department, police department, Jaycees, as well as many other members of community, this event is always a success.

## 60 attend Antioch High 50-plus class reunion

Sixty people gathered for the third annual Antioch High School 50-plus reunion this past summer at the Cabriolet Restaurant in Libertyville.

Graduates from 1916 and through the following years enjoyed a buffet dinner and a pleasant visit with old friends.

Those coming for the

evening from further away than our neighboring towns were Mr. and Mrs. Carl Christiansen (Marie Rathers '27) from Florida and Mr. and Mrs. Louis Forbrich (Louis '27) from Pittsburgh. The very special guest of the evening was Mr. Lynn R. Watson, former coach, who drove from his summer home in Au Train, Michigan

and many yarns were spun about athletic feats in the good old days.

Color photographs were taken of the group and they have been promised delivery soon. Saturday, July 19, has been set as the date for the 1980 50 plus reunion at the Cabriolet and everyone interested is asked to watch for further information.

## Parents to attend Upper Grade School

The tenth annual parent's back to school night will be held on Wednesday, Oct. 3 at 7:30 p.m. at Antioch Upper Grade School.

Coffee and cookies will follow the class visitation. Parents of all sixth, seventh and eighth grade students are cordially invited to attend.

Parents should check with their children in advance to

find out the number of their homeroom.

Students will be placed in the corridors to guide parents to the proper room, and schedules for the evening's activities will be distributed in the homeroom.

This evening is designed to acquaint parents with the school program, building and staff.

## Women to discuss shoplifting

The American Assn. of University Women, Lindenhurst-Chain O' Lakes Branch will meet Thursday, Sept. 27 at 7:30 p.m. at the Lake Villa Township Hall.

A lawyer, Mr. Gary Schlenger will be giving an expose of the legalities on shoplifting with a discussion afterward.

## DAILY INTEREST

### NO PENALTY FOR WITHDRAWALS

5 1/4% Regular Passbook Account is the most versatile of all savings accounts and gives you immediate access to your savings to meet any unforeseen financial needs. You can make deposits or withdrawals at any time, in any amount, in person or by mail. To make it even easier for you to save, we will automatically transfer any amount you authorize from your checking to savings each month.

Your guaranteed 5 1/4% interest is computed daily, compounded and paid quarterly for a higher effective annual yield of 5.40%. Your interest is computed from the day of deposit to the day of withdrawal (absolutely no penalty for withdrawals). Most savings institutions pay interest on the amount on deposit at the end of the quarter, but the State Bank pays you interest quarterly for the full time your money is on deposit, no matter when you need to withdraw. Don't delay, stop in soon and discuss your savings requirements with qualified personnel in our New Accounts Department.

# Christine Mattson in 4-H Court

Christine Mattson of Antioch was one of five candidates who competed this year for the title of Lake County 4-H Queen. The girls were judged on poise, 4-H records and 4-H experience.

Judges named Chris Martinez of Libertyville as 4-H queen. She and her court will serve from Sept. 1979 to Sept. 1980 when the new king and queen will be selected.

Other candidates were Cindy Dittmer of Mundelein, Bernadette Holst, Grayslake; and Dale Walker, Libertyville.

The 4-H Queen will represent Lake County at county, multi-county and state events. Being 4-H Queen gives the girl a chance to promote 4-H through radio, newspapers and personal appearances. The 4-H

Queen and her court help 4-H clubs, hold workshops, demonstrate special skills, and help with the 4-H Fair in July.

This year the Coronation Ball, held to honor the incoming Queen and her court, was held Sept. 22, at the Grayslake Park District hall. She was sworn in and crowned by Debbie Hebiot, Mundelein, 1978-79 4-H Queen.

The highlight of this year's Coronation Ball was a "Parade of Kings and Queens." 4-H Kings and Queens from other counties and all past Lake County 4-H Kings and Queens were invited to take part in the festivities.

In 1970 the first Lake County 4-H King and Queen were crowned. They were John

White of Antioch and Mary Kay Nachowicz, of Mundelein. Kings and Queens to follow were: Gary Wells, Gurnee and Janet Schoelzel Porter, Waukegan, for 1971; Rick Kubetz, Urbana, and Eileen Regner Bonner, Gurnee, for 1972; Linda Lagerstrom, Antioch, and Bruce Scottberg, Ingleside, for 1973; Scotty Scottberg, Lake Villa and Robin Walker Thompson, Jacksonville, for 1974; Andy Sargent, Grayslake, and Cindy Russell, Round Lake, for 1975; John Westman, Grayslake, and Sue Meyer, Highland Park, for 1976; Mike Kubetz, Los Angeles, and Lisa Hollensteiner, Barrington, for 1977; Mark Regner, Round Lake, and Sue Turnbull, Libertyville, for 1978; and Debbie Hebiot, Mundelein, and Joe DeZoma, Waukegan, for 1979.

Anyone interested in joining 4-H can call the Lake County Cooperative Extension Office, 223-8627.

**4-H QUEEN AND COURT**—Christine Mattson, second from left, of Antioch was among candidates for title of 4-H Queen who gathered at Coronation Ball. Chris Martinez, Libertyville, center, was selected as new 4-H Queen. Other members of the court include Dale Walker, Libertyville, far left, and Bernadette Holst, Grayslake, second from right, and Cindy Dittmer, Mundelein, right.

**PROUD PAPA**—Christine Mattson of Antioch is escorted at 4-H Queen Coronation Ball by her father Kenneth. Christine will serve in queen's court during the coming year.

## Antioch Jaycees shoot for safety

Over 70 youngsters are learning about handling guns properly through a hunter safety course sponsored by the Antioch Jaycees.

Gun safety is the primary instruction in the course which teaches kids how to handle guns properly using Daisy air rifles.

At one Monday evening

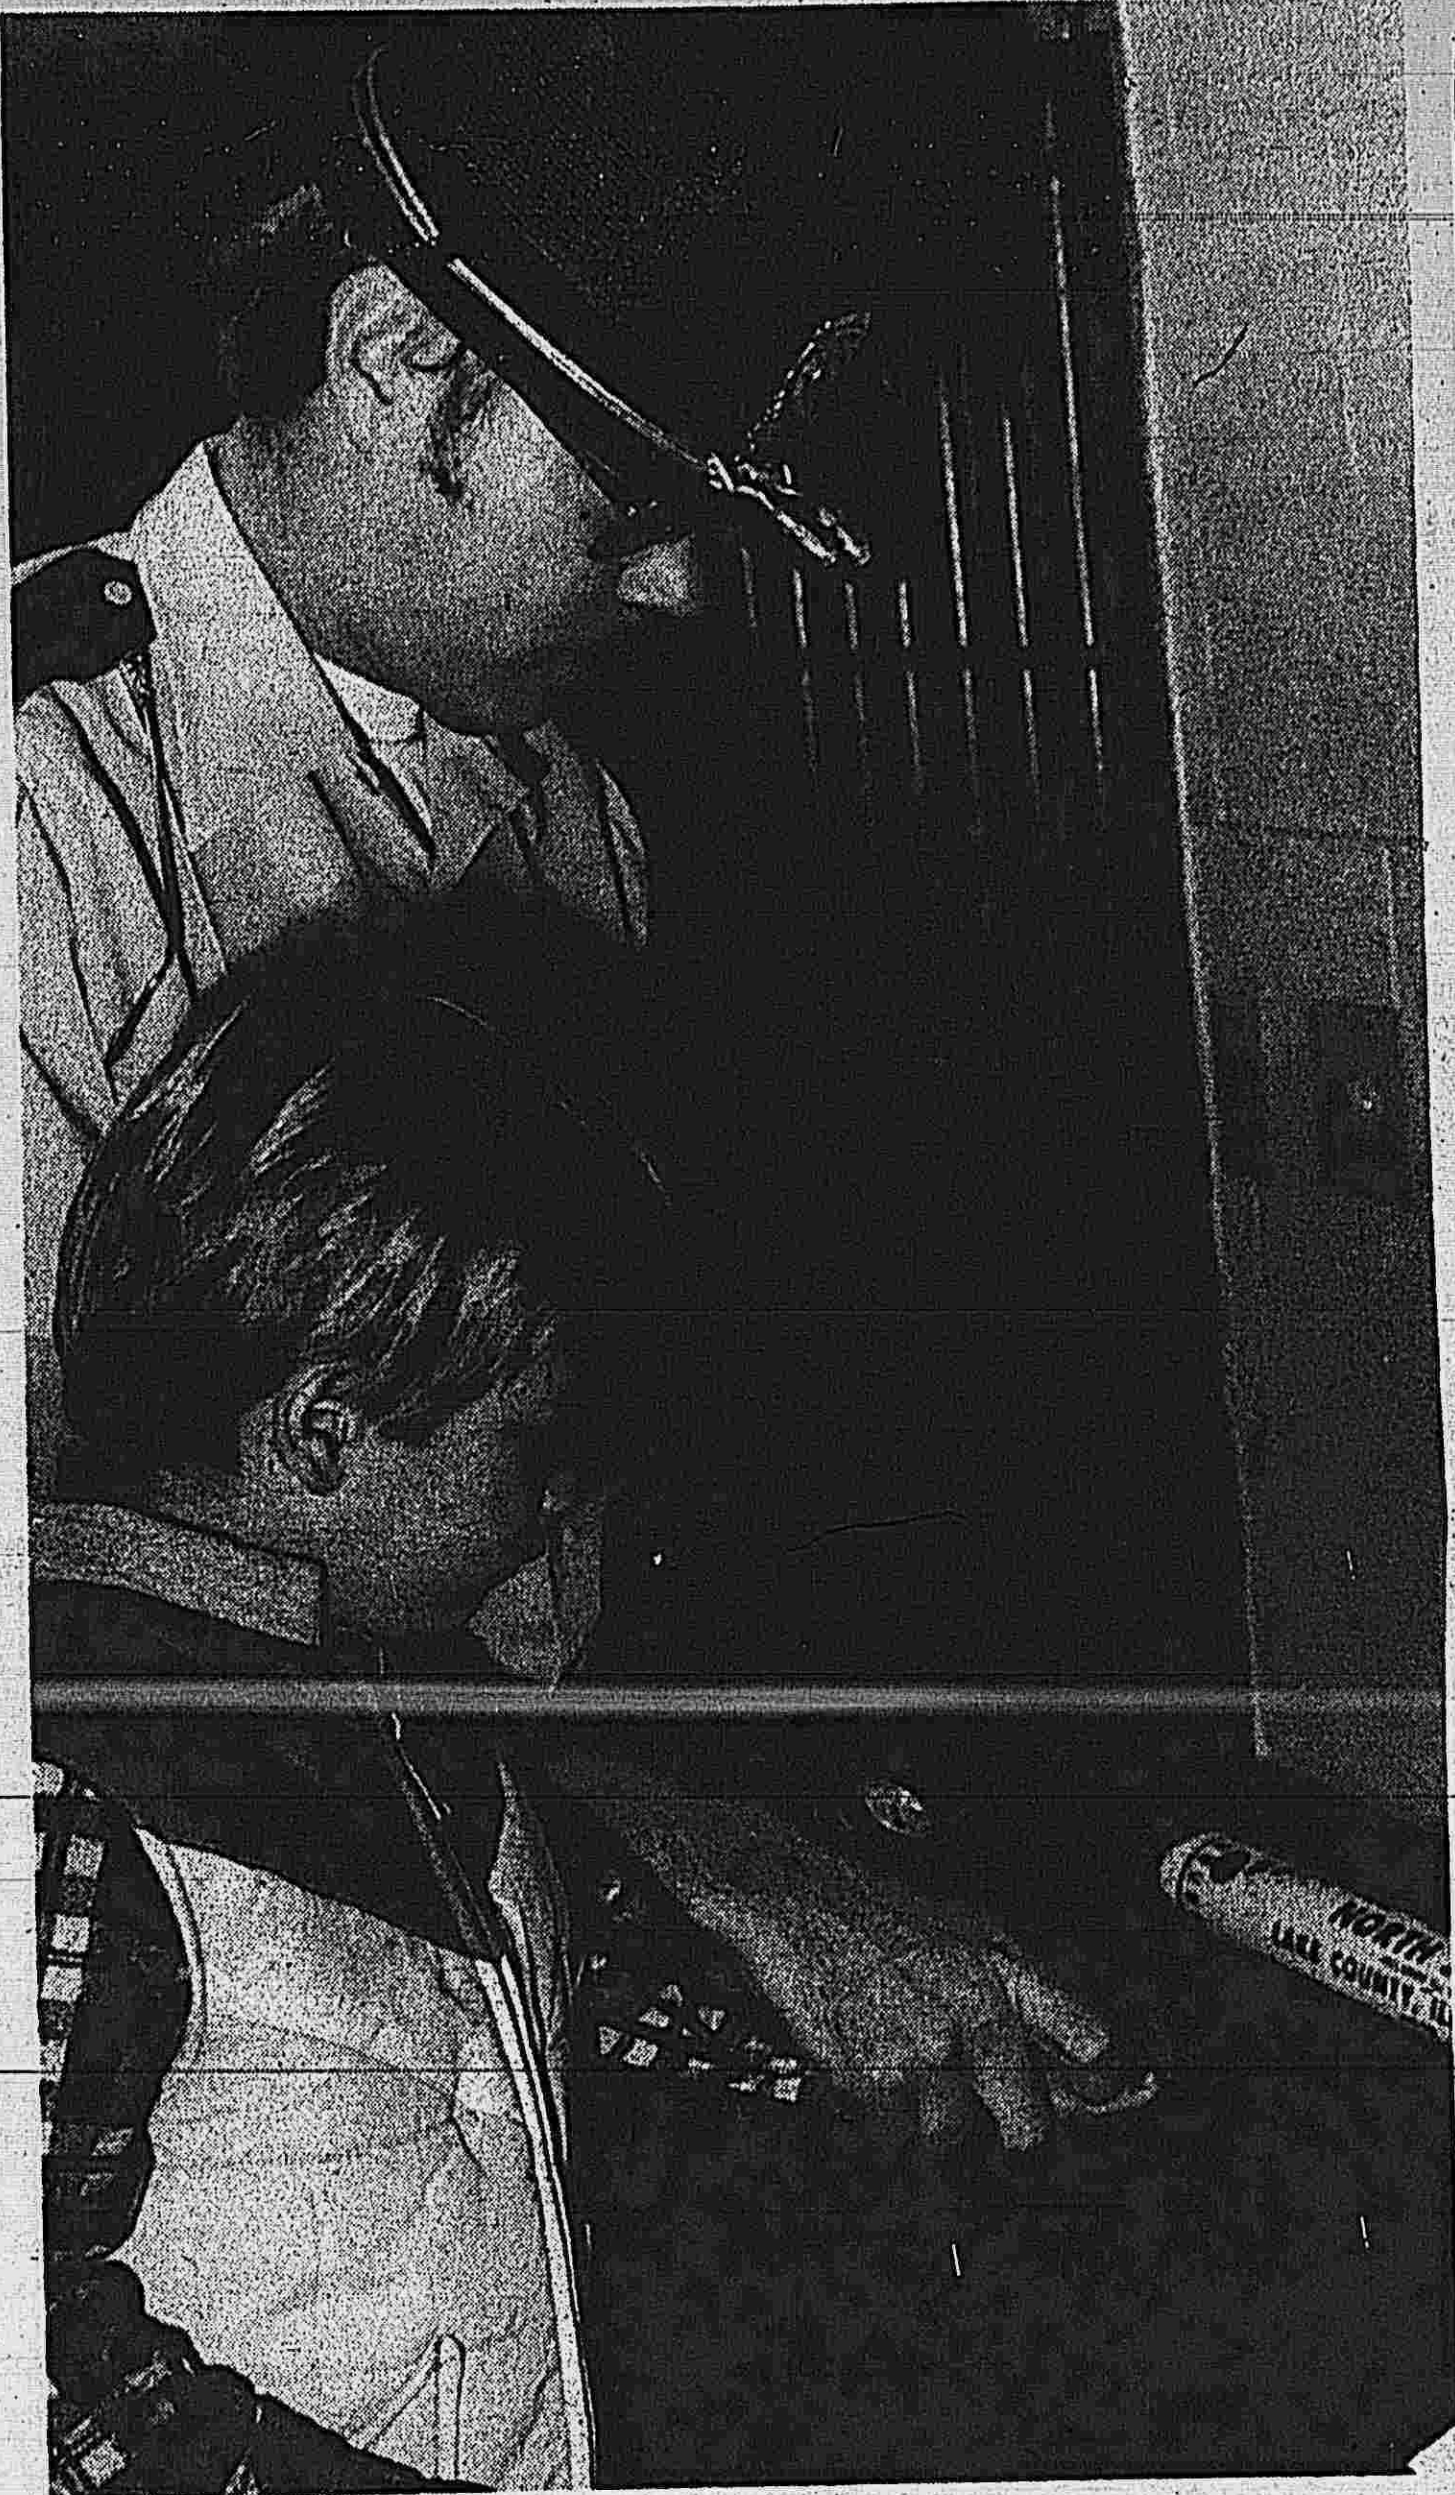

session, the youngsters were shown a gun that exploded when it was being used, explained Phil Schaub of the Jaycees. This showed them how powerful guns are, he added.

Antioch Police Chief Chuck Miller and a local game warden attended another session. The two

stressed the importance of always treating a gun as if it is loaded, Schaub said.

There has been a good response to the course from the community, he added.

The Jaycees are sponsoring the free program as one of their community service projects.

## Breaking ground for emergency satellite

Emergency health care in the Antioch area got a big boost with the official groundbreaking for the new St. Therese Hospital Area Trauma Satellite (STATS), located south of Antioch.

St. Therese administrators and other dignitaries broke ground last week for the new \$1.5 million emergency facility. A large crowd gathered in the tall weeds at the intersection of Rtes. 59 and 132 to witness the occasion as Sisters from the Waukegan-based hospital donned hard hats and flung

dirt energetically.

Digging was expected to begin in earnest this week as heavy equipment moves it to go to work on the five acre tract.

The STATS building will cover approximately 8,300 square feet. It will contain an x-ray unit, stat lab, telemetry equipment and other supplies necessary for emergency situations.

The satellite will be staffed by the same group which operates the St. Therese Hospital emergency room: The Northern Illinois

Emergency Physicians.

Mrs. Norma Crow, of the St. Therese Public relations department, estimated a final completion date of June, 1980.

"Our Sisters and staff stand ready, willing and totally committed to fulfill our obligations and exercise our role as a leader in bringing expanded quality emergency health care to the most rapidly expanding population-growth area in our state," said Sr.

Maryann, president of St. Therese.

"WE WILL WORK cooperatively with individuals and organizations to make this facility a prototype of what such an outreach program should be."

STATS is planned to provide emergency treatment and patient stabilization prior to continuing transport to the hospital of his or her choice.

Much time, energy, money, and trauma is

currently wasted by transporting critical patients on local two-lane highways that pass through a number of congested towns, St. Therese authorities say.

A hospital fact sheet states: "The need to establish this facility has been evident for several years. We are reaching out to that need."

"STATS SHOULD present

absolutely no conflict of interest to local physician practice or the census of any given hospital," it continued, "since those patients requiring emergency treatment will often have an attending physician and be allowed to be transported, if applicable, to the hospital of their own or their physician's personal choice."

## Rules of the Road instruction set

Older Americans who are concerned about passing the written portion of the Illinois driver's license exam may attend free review classes on "Rules of the Road for Older Americans" in Grayslake, Zion, Waukegan and Fox Lake during October.

Presented by the College of Lake County in cooperation with the Illinois

secretary of state's office, the classes are taught by volunteer older Americans.

Each course consists of three two-hour class sessions. In addition to reviewing road signs and rules of the road, participants will have the opportunity to take a practice eye test. Pre-registration is requested.

Class locations for October are: College of Lake County, 19351 W. Washington, Room B-156, Grayslake, 10 a.m. to noon on Thursdays, Oct. 4, 11 and 18. To register call 587-7274; Zion Leisure Center, 2400 Dowie Dr., 1 to 3 p.m. on Tuesdays, Oct. 2, 9 and 16. To register call 244-2254 or 623-0349; Trinity Lutheran Church, Grand and Ash, Waukegan, 1 to 3 p.m. on Fridays, Oct. 5, 12 and 19.

TRIAL RUN — Sister DePazzi of St. Therese Hospital Board of Directors practices digging prior to formal groundbreaking ceremony of their emergency satellite facility. The St. Therese Area Trauma Satellite (STATS) will be built on a five-acre plot, south of intersection of Rtes. 59 and 132. Estimated completion date is June, 1980.

## Square dance club invites newcomers

The T-P Taws and Paws Square Dance Club is offering lessons for all interested people on Thursday evenings.

The time is 7:30 to 10 p.m. at Lake Shangri-La Community Hall in Kenosha County, 22112 - 121st St., Lake Shangri-La Woodlands.

New people interested in learning may join for the next two weeks, after which time lessons will be closed.

"Square dancing is an excellent activity for couples who would like to do something together," a spokesman said. "It is also an opportunity to meet many fine new friends."

The caller-instructor is Ted Palmen of Bristol.

The T-P Taws and Paws dance regularly every first, third and fifth Friday at Lake Shangri-La. The club also has many extra activities for their members, especially throughout the summer.

"Come join us and give square dancing a try," she

# OUT-DOOR WOOD

Wolmanized

Pressure-Treated Lumber

Build beautiful, permanent patios

When you build outdoors, use Outdoor™ brand wood. It needn't be stained or painted. It isn't bothered by termites. Won't rot. And stays beautiful for keeps.

This deck was built with Wolmanized® lumber... Outdoor wood. It's ordinary wood—pressure-treated with Wolman's preservative chemicals to keep it handsome, sturdy, and worry-free for dozens of years.

Considering how long Outdoor wood lasts, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

# Explorer Scouts keep blazes under control

(Continued from Page 1)

Lake and putting out a fire caused by a boat explosion on Grass Lake.

**THE BOAT** also pulled a sunken boat off the bottom of Channel Lake and patrolled to keep other boaters from entering the area.

"The real initiation" for the boat and explorers alike, was the boat explosion, said Jeff Smouse, president of the group.

The boat's occupants were able to wade to shore, but the boat was "damaged beyond repair," according to Antioch Fire Chief Tod Maplethorpe.

The Post has also organized a canteen truck to provide hot coffee and donuts to firemen during long fires, especially when they are battling blazes during the winter.

**THE EXPLORERS**, made up of Smouse, Mitchell, Mike Chinn, Albert and Bill Kraft, Mark Gerhardt and Mike Cheverette, have gained the support of the fire department and the respect of the fire chief.

"I personally think it's a great idea that they're interested in doing these kinds of things," Maplethorpe said. "They're real eager to be out...doing work for the public."

Members of Post 88, which has been in existence for six or seven years, saw a need for the boat, Mitchell explained. "It took about six months to a year to actually get the boat all fixed up and running," he added.

**THE GENERAL** attitude today is that high school youths cannot handle a responsibility like the boat, he said. The truth is that they can provide a useful service, he continued. "They're doing something worthwhile for the community and having a lot of fun doing it."

The boat will probably take months to learn to drive efficiently "because it handles so much differently than a propeller (driven) boat," Smouse said. Because of its pumping action, there is no steering in reverse and the boat tends to go backwards.

Working with the firemen has been a good

experience, said Smouse, who has been with the Post for three and one-half years and has taken pictures for the department. "The guys there are great. They are really excited about the boat, it seems."

**WALKING NEAR** a pier and reflecting on his work in the Post, Smouse said, "I think it's a lot of fun" and provides teenagers with a "good opportunity" to show they can be responsible.

Post members hope someday to be able to build a pier and boathouse for the boat, which is currently kept at the Grass Lake Marina. They also hope that more young people will be interested in joining them.

An interest in power mechanics, engines and vehicles, boating, communications or public safety, which includes police and fire, are needed in the Post, Mitchell said.

"There is a place for all of these different interests in the Post," Mitchell said. "They are all support activities for what we're doing."

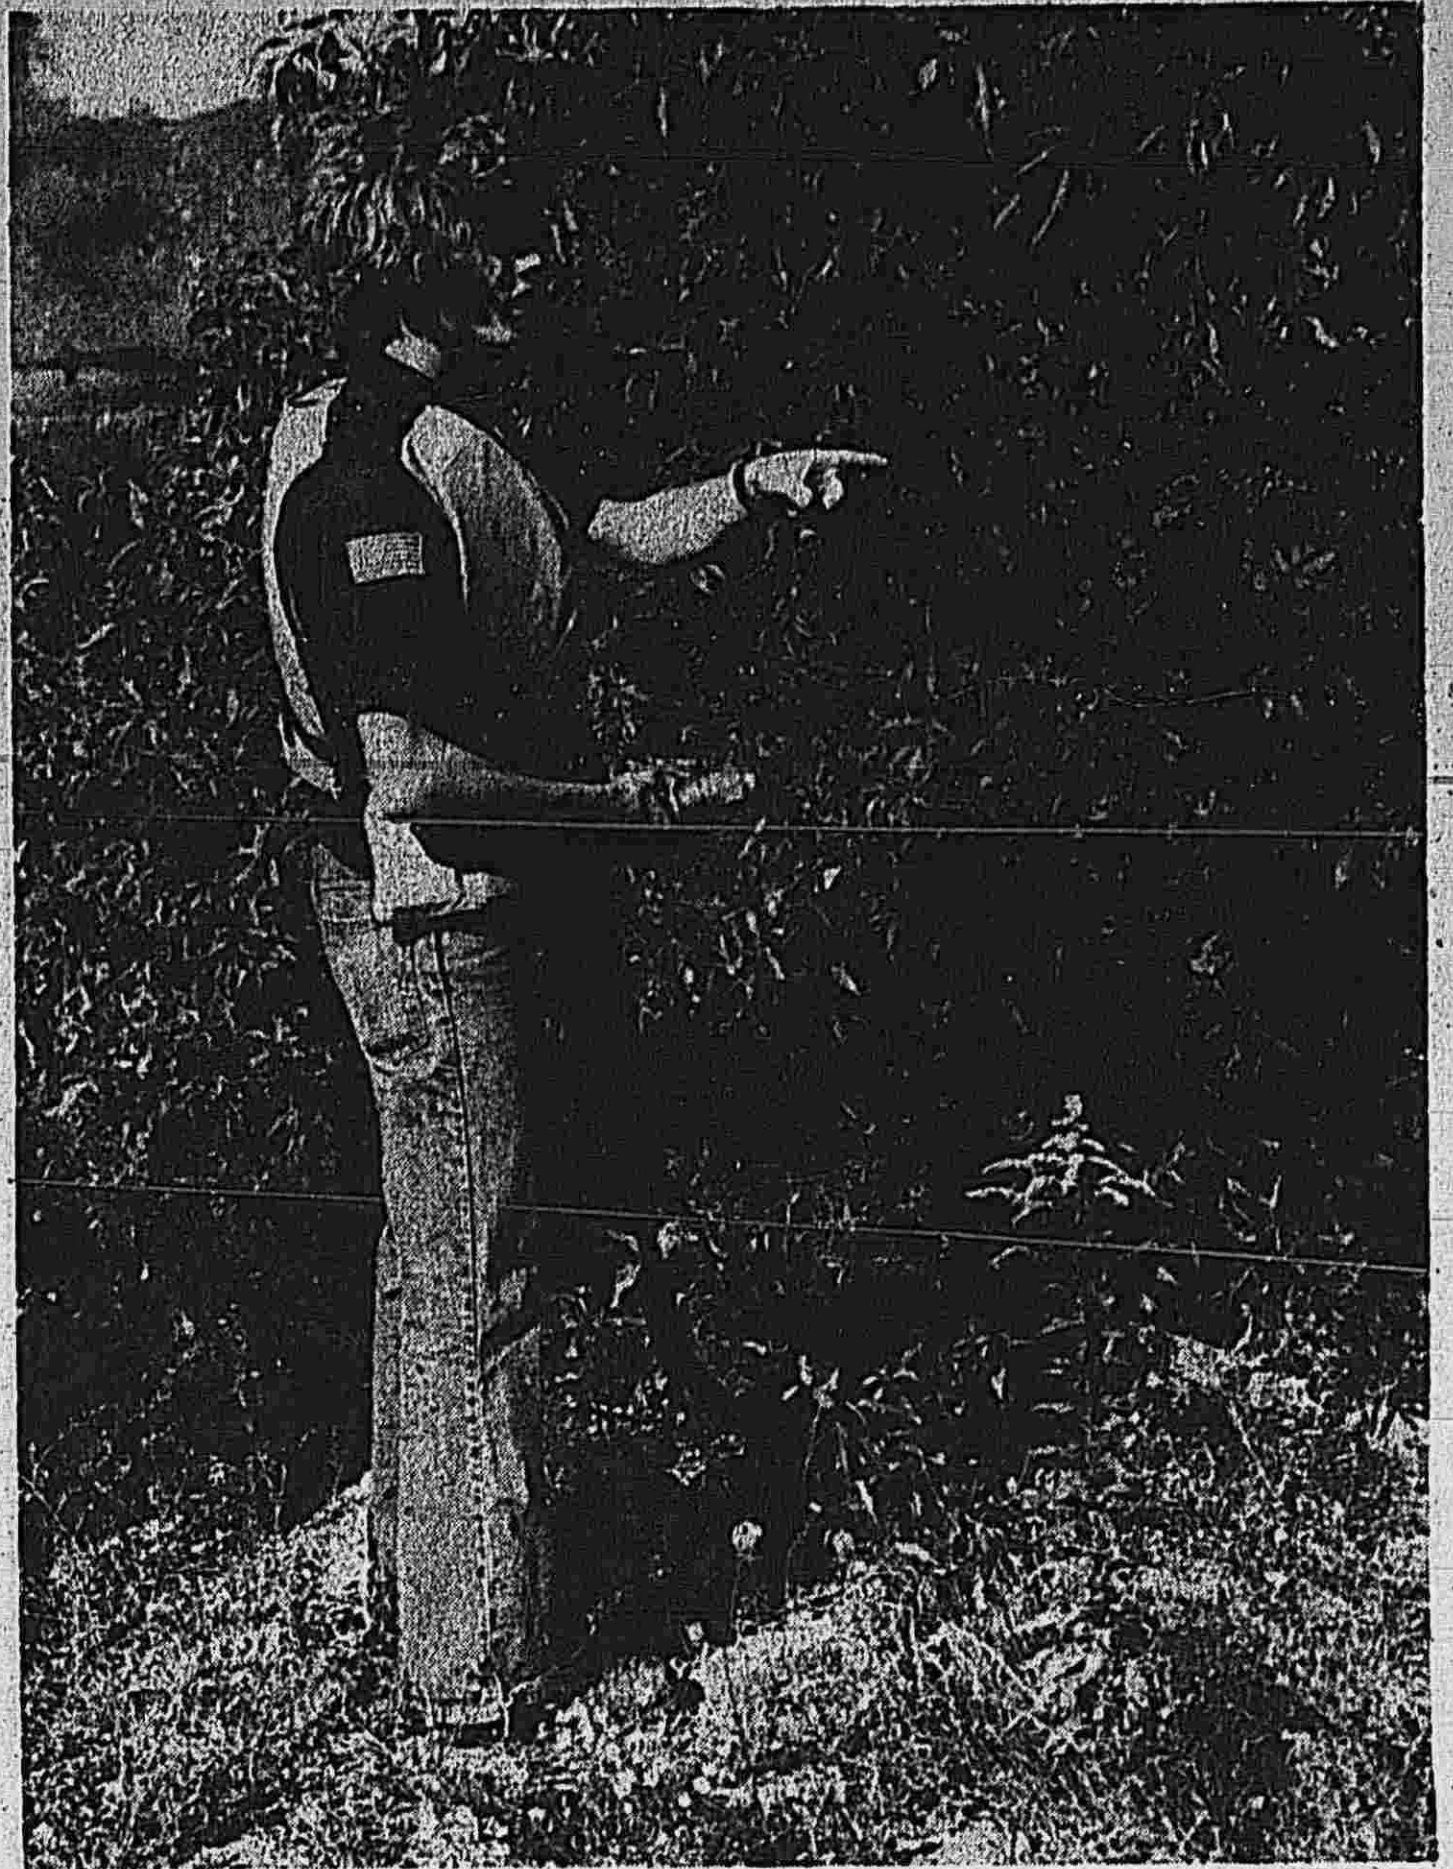

**HIGH SCHOOL AGE** youngsters through age 21 are encouraged to call Jeff Smouse at 395-1333 or Wally Mitchell at 362-6080 for more information about the organization.

The Post meets from 7:30-9 p.m. at the United Methodist Church of Antioch and usually continue their work at the fire station. The new fire station will become the group's home base once it is completed.

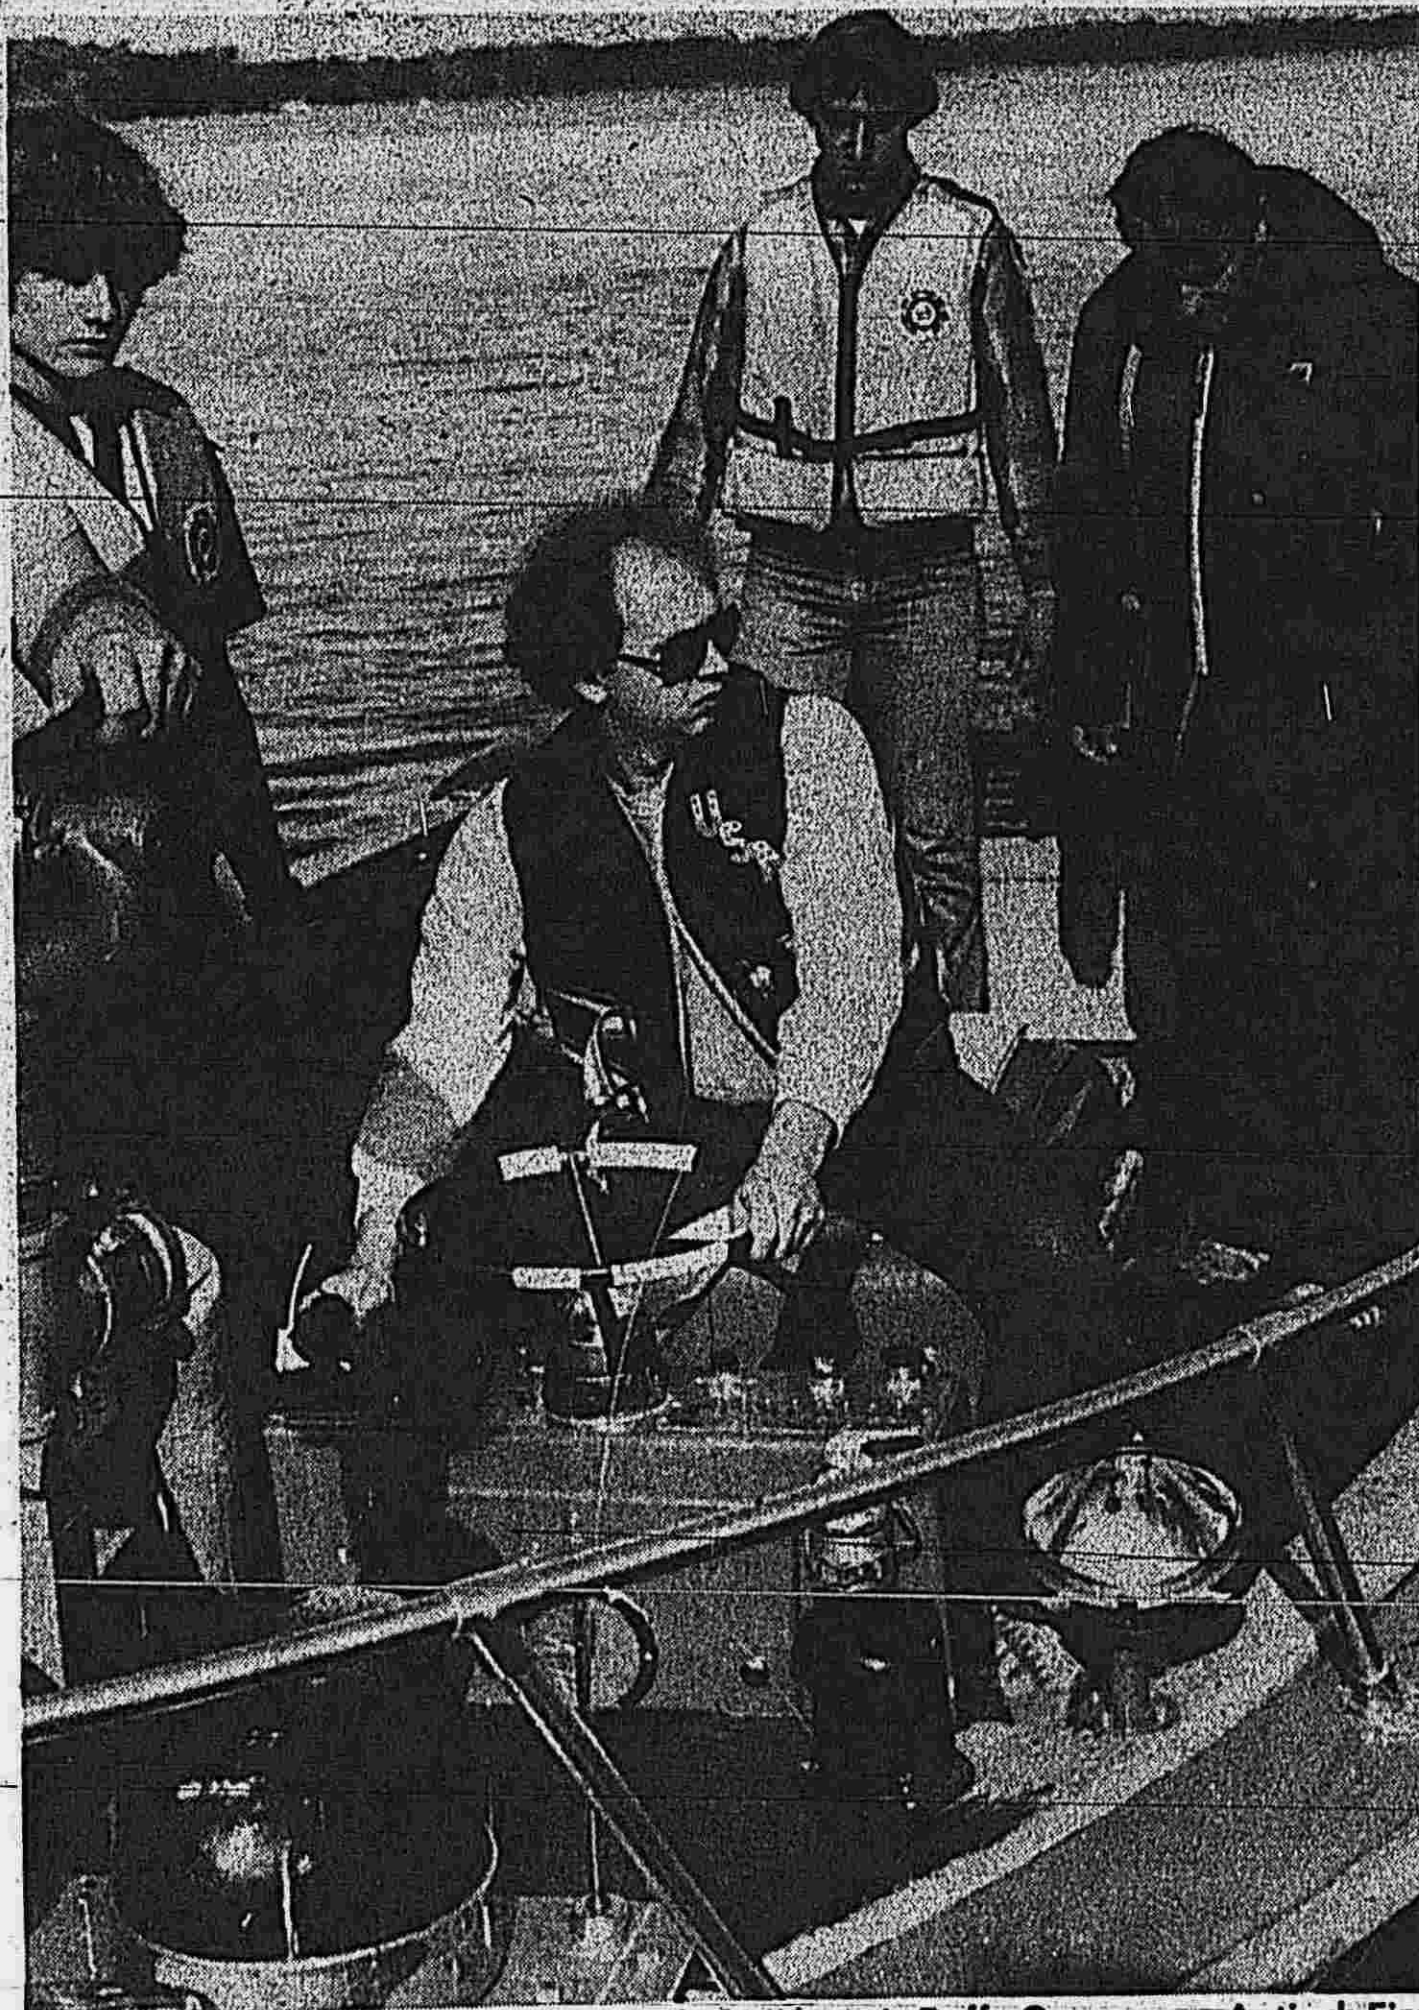

Although the Explorers have other activities, which include "camping and things like that," they feel an obligation to be in the area because of the boat, Mitchell said.

Qualified boat handlers in the Post wear pagers or 2-way radios to respond in case of emergency, he added.

As the fire is smoldering on shore, a hose is extended from the boat so it can be put out from land. As the fire department volunteers drive away, the Explorers practice a while longer, always ready to get more hands-on experience.

## Woman's Club to view puppets

Writer James Thurber's priceless legacy of charming plots, whimsical characters and witty humor will highlight the Antioch Woman's Club Opening Luncheon and Guest Day on Monday, Oct. 1.

The facilities of Harbor Ridge Country Club have been offered to the club for the opening luncheon and bi-monthly meetings during 1979-80 by owner, Tom Santino, and luncheon will be served by Bill Arnold, manager of Harbor Ridge Restaurant.

Following the luncheon, Peeko Puppet Productions, a Chicago marionette company directed by Miss Billie Logan and Miss Elly Reed, will entertain the group with "Many Moons", a three-act play in six scenes, adapted from the book by James Thurber.

Misses Logan and Reed, creative puppeteers experienced in teaching as well as entertaining, have added a unique dimension of realism to their presentation with a pre-recorded sound track, complete with puppets' voices dramatized by professional actors, and appropriate musical backgrounds and interludes taken from the "Caprices" by Paganini.

The marionettes, each of which required 150 hours to create, were designed from the original edition's art by Louis Slobodkin who was awarded the 1943 Caldecott Medal for his distinctive illustrations in "Many Moons".

Sparkling sets complete this fascinating production, a delight for young and old alike.

Antioch Woman's Club president, Louise Santino, reports that her officers and committees for 1979-80 are looking ahead to a successful year of activities in their goal of service to the community. The club was organized more than 50 years ago.

## Gosmic Signs

### AQUARIUS

(January 20 - February 18) Bright new opportunities for increased prestige and advancement demand a realistic approach and the avoidance of over-optimism.

### PISCES

(February 19 - March 20) You're sensitive to love and a subtle upturn in your inner psychology foreshadows gradual improvements in work and health.

### ARIES

(March 21 - April 21) Your drive to get ahead could irritate others, some of whom could be definite assets to your aims. Praise others' talents to enlist their support.

### TAURUS

(April 22 - May 21) The lure of glamour and extravagance leads to overindulgence. Unnecessary luxuries may produce a budgetary strain.

### GEMINI

(May 22 - June 21) Old competitions at work could arise again. You may be hounded by former promises you haven't kept.

### CANCER

(June 22 - July 23) Stresses and strains in personal and work relations, secret motives and overindulgences may take their toll on your well-being.

### LEO

(July 24 - August 23) An insistent, tyrannical attitude is a waste of time. Promises made now aren't likely to be kept by either party.

### VIRGO

(August 24 - September 23) Delicate issues involving love, children or pleasure-seeking necessitate a considerate approach.

### LIBRA

(September 24 - October 22) Complaining, perfectionist attitudes could irritate friendships, aggravate existing financial tensions and ultimately lead to irresponsibility.

### SCORPIO

(October 23 - November 22) Travel, domestic and family conditions, and unusual mental investigation can bring happy news and a fortunate upturn.

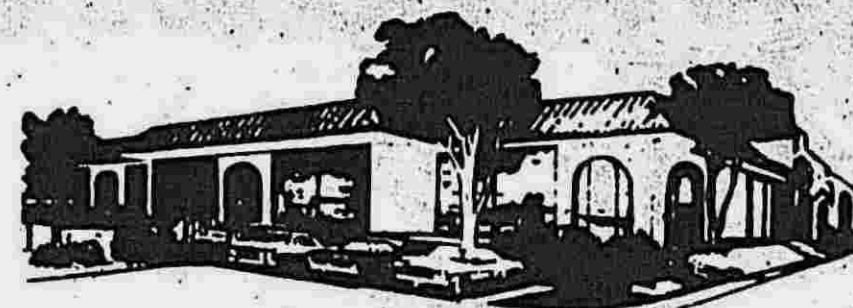

### SAGITTARIUS

(November 23 - December 22) Investigate and research hidden factors which may be helpful in making an important transition from frustration to attainment of desires.

### CAPRICORN

(December 23 - January 19) By fulfilling commitments and obligations responsibly, you'll make the most of some rather demanding challenges.

If all you barbeque lovers out there can feel your taste buds tingling for a scumptious pork chop (plus ... ) dinner, this is just a reminder to plan on participating in the Rotary's Annual Event. Be sure to join the numerous festivities at the Antioch Auction Center, Sunday, Sept. 29. This beautiful autumn weather should all but guarantee a record turnout. Let's get together with community friends and neighbors to assure that this fifth year will rank among the largest and most successful functions!

Lorraine Deutsch is announcing M & S Associates recent affiliation with Neighborhood Realty Group. M & S feels confident that this new coordinate venture will prove to be the "right move" for everyone involved from buyer/seller to the professionals who work diligently to make transitional changes as easy as possible. Expansion is also in the works and there may be a search for qualified sales personnel in the near future.

However, upper most in Lorraine's mind was the birth of a new family addition. Son Bruce & lovely wife Sharon (not to mention Rich & Jim, the proud brothers) have a newborn sister, Lauralee. Typical of most grandparents, I had the pleasure of seeing photos of this young miss with my own eyes and believe me, she's an absolute knock-out! Congratulations Deutsch's but try not to let big brothers spoil her TOO much.

Music fans — say hello to Steve Boswell who is celebrating the Grand Opening of Sound Advice right here on Main Street. He's offering free advice on using and improving your stereo equipment. Good selection of records and tapes. Check it out.

On Sunday, Sept. 23, my daughters Amy and Lisa attended the Green Wing Teal Picnic. They arrived home

with tummy's bursting and hunting lore abound, as well as discovering the magic whistles of dog training and the scent of gun smoke in the outdoors. Perhaps they can now relate to where Dad has been hiding out during this time of the year.

Bill at the Village Pub called our attention to the fact that you should be watching for further information on the second Annual Community Awareness and Voters Night which is being held on Oct. 17 at the Antioch Community High School Commons between 7-9 p.m. The theme is "What's Happening in Antioch" and officials from the village, township, county and state will be present to provide interesting information. If you belong to an organization which would like to become involved, the group would be happy to provide your representative with full details. Contact Frank Johnson, president at 395-1191 or Jerry Murphy at 395-6045. This is a terrific way to get to know as much as possible about Antioch.

Get well wishes to George Hahn, who is recovering in Victory Hospital from serious injuries suffered in a water skiing accident.

The prominent Antioch merchant and jewelry store operator underwent five hours of surgery and skin grafting Sept. 19. A big toe was severed and the heel of his foot severely lacerated in the Sept. 16 accident on Cross Lake, where the Hahns have a summer home.

It is expected that he will be in the hospital for two weeks, but we hope you're out sooner, Mr. Hahn.

**DID YOU KNOW** that Angela Maras of Antioch has been honored in the 21st edition of Who's Who in Finance and Industry? Angela is going on her fifth year as director of public relations for Hawthorn Center in Vernon Hills.

Arlene and Ed Olszewski of Largo, Fla., send greetings to their friends in Antioch.

"Our summer has really been long," they wrote. "We were fortunate to have been by-passed by both hurricanes David and Frederic. David did give us a lot of wind and Frederic gave us the rain."

The village hall has a warm new look with brand new carpeting and its spiffy silver-leaved signs on the windows.

Annie Mae was told there were two Antioch women in a parade on Gold Star Mother's Day. They were Mrs. Laura Swanson and Mrs. Myra Randall.

Both of their young men were named William and were killed in the 1940's fighting for our country.

Ray and Joan Toft will be celebrating a wedding anniversary Sept. 23. These Antioch folks will be celebrating 29 years. Best wishes!

## Names in the NEWS

Airman Daniel R. Saielli, son of Jacqueline L. Hurkmans of 608 Crabtree Ct., Lindenhurst, has completed Air Force basic training at Lackland Air Force Base.

The airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned Saielli credits towards an associate degree in applied science through the Community College of the Air Force.

Marine Pvt. Mark K. Simmons, son of William H. and Faye Simmons of Antioch, has completed the Marine Corps Basic Combat Engineer Course.

During the six-week course at Camp Lejeune, N.C., he studied the fundamentals of engineering support for com-

bat units. He received instruction on the tools and procedures for building bridges, roads and field fortifications. He also studied the use of demolitions, landmine warfare and camouflage techniques.

### MISS ANTIOCH

Anyone interested in participating in the 1980 Miss Antioch Pageant may contact Marlo Good at 395-2465 or Bill Groening at 395-2700.

Happy birthday to Chuck Jenkins, who will be celebrating his 29th birthday Sept. 24th. Chuck, the son-in-law of the Tofts, is such a nice young man we all want to wish him well.

The village hall will be getting a new look, as carpeting is expected to be installed there soon. It will help make the hall toasty warm during our chilly winters, especially during those late board meetings.

**DID YOU SEE** the public works crewmen painting lines on the street?

Well, I hope you did—especially if you were driving a car. I saw some people driving awfully fast while they were at work in the street. By the way, the guys did a fine job on the lines they painted.

Oct. 13 is a big date to remember at Antioch High. That's right, it's homecoming. Remember the floats, the game, the court from when you were in school?

Welcome back to Dee Lang and Marilyn Sterbenz, our faithful village employees who were vacationing in Florida this week. Also, welcome back to Walter Shepard, who attended a public works convention out-of-state this week. Looking forward to seeing these busy people around town again.

Sending get well wishes to Bill Sereshon, who suffered a heart attack last week. News around town is he's feeling better. Take good care, Bill.

This Thursday last year was declared National Annie May Day by a News staff member. You can bet I didn't forget that! This year we should have invited Lillian Carter to town to celebrate. Oh, well, maybe next year.

## OFFICER OF THE WEEK

## Mrs. Michels describes dispatchers as lifeline

by JANE POLZIN

As a dispatcher for the Antioch Police Dept., Dawn Michels is "the lifeline between the officers and help."

Mrs. Michels, who has been with the department for almost two and one-half years, enjoys the varied duties that make up her job.

Working the swing shift (two first shifts, two second shifts and two third shifts in a row) gives her the opportunity to help people and do "a little bit of everything."

GETTING TO KNOW and work with all the officers is another advantage she finds to working that shift.

Answering police, fire and rescue calls for Antioch, Lake Villa and Lindenhurst, dispatching calls and helping the public any way she can are among her duties.

When she works third shift, her responsibilities also include entering information on the computer. "That's my favorite," she said. Very interested in the machine, she is amazed that the computer "tells you if you do something wrong."

Talking to the public as they come into the station, taking care of paper work and writing reports also occupy her busy work days.

MRS. MICHELS finds her work exciting and doesn't mind when the going gets tough. Weekends are the busiest time to work, followed by hectic Mondays, she said.

One of the most important qualities a dispatcher must have is alertness, she said. Obtaining as much information as possible is important, she added.

Because the department is small, she feels a "closeness working with the people here." Employees of the department "kind of take care of one another," said the outgoing blond.

AN EXPERIENCED dispatcher, Mrs. Michels worked at the Round Lake Police Dept. and took a course in criminal law at the College of Lake County. She also studied 911 emergency reporting and computer operations during an 80 hour course in Springfield.

An outdoor sports enthusiast, Mrs. Michels likes to snow and water ski as well as play tennis.

A person who enjoys the warmth of working in an environment where people are

close, she rates "spending as much time as I can with my daughter and husband" a high priority.

Mrs. Michels lives in the Antioch area with her husband Robert and daughter Venessa.

#### "CHOOSE YOUR RETIREMENT PLAN NOW"

The tax laws allow us to make contributions to tax qualified plans and take income tax deductions for those contributions. There are three types of plans; corporate plans for incorporated businesses and their employees, Keogh plans for self employed persons and their employees, and IRAs for workers who aren't in any other program.

If you control an incorporated business and might want to start a tax qualified retirement plan, now is the time to begin serious investigation. The law demands that certain paper work be finished before the end of the calendar year for many of these plans. It can take over a month for your attorney, etc. to complete it all. Before they can even start the paper work, you have to make the decisions. Be sure to give yourself enough time to make decisions carefully. Some of them can be irreversible. For example, the formula determining how much you will contribute each year, or it might not. There are some employers who must make a contribution to their retirement fund, even if they lost money during the year. The employer can be forced even deeper into the red. Other employers can skip making a contribution if they've had a bad year. Seemingly minor provisions can become very important.

The law allows us income tax deductions for these plans, but only if we follow all the rules. If you break a rule, the IRS may "disqualify" your plan, which means that the income tax deductions you took weren't valid. You could have to file amended returns, unclaiming all the deductions you had claimed because you had a tax-qualified retirement plan. But, if you understand the plan at the start and choose one you can live with, a tax qualified retirement plan can be a great addition to your employee compensation package. To achieve that, it is important to start now, while you have the time to do it right.

A word of caution, find out if any of your employees made an IRA contribution for 1979. If they did, you have to do some careful timing or they could have some difficulty. Your plan must be started by the end of the year, but they can't be in your plan and in an IRA both.

## Crawford-Hickman announce engagement

Mr. and Mrs. Lavid L. Crawford of Antioch announce the engagement of their daughter Lonna Marie to Rick E. Hickmann, son of Mr. and Mrs. William J. Hickmann of Camp Lake, Wis.

The ceremony will be performed by the Rev. Francis Kub on Oct. 13 at St. Peter's Catholic Church.

The bride-elect is a 1977 graduate of Antioch Community High School and a 1978 graduate of Don Roberts Beauty School and has a license in beauty culture.

She is employed as a hair-stylist for Suforma's Studio of Hair, Antioch.

The bridegroom-to-be is a 1975 graduate of Wilmot High School and a 1976 graduate of Southwest Technical Institute and has a journeyman's license in meat cutting.

He is employed as a maintenance engineer for Hy-way Janitorial Service, Camp Lake, Wis.

The couple plans to settle in Camp Lake, Wis.

## Committee to examine report card

Student report cards will be reviewed by a study committee, according to action taken by the Antioch Grade School Board.

"I have received frequent criticism regarding our student report card system, particularly at the junior high level," wrote Grade School Supt. Donald Skidmore in his notes for the meeting.

"THE SOURCES of the complaints have been parents, students and teachers alike."

Concern with the junior high reports has been expressed because a letter grading system is not used, Skidmore said. Instead, students are evaluated using the words commendable, satisfactory or unsatisfactory.

THE COMMITTEE, consisting of five teachers and two administrators, will "study the issue and...give a recommendation to the administration and board regarding the continued use of the present system or the adoption of a new system," Skidmore reported.

The grade school board authorized a stipend for a maximum of \$100 each for the teachers on the committee. "It is a small price to pay to improve our reporting method," Skidmore wrote.

Survivors are his widow, Lorraine; one son, Robert at home; two daughters, Sandra and Carole at home; and one brother, Herbert of Lake Villa. He was preceded in death by five brothers, Sedgwick, Manville, Albert, Willard and Howard; and by a half-brother, Wilbur Mortensen.

## Karl S. Boehm

Funeral Mass for Karl S. Boehm, 69, of Loon Lake, will be said at 10 a.m. Thursday, Sept. 27, at Immaculate Conception Church, Elmhurst.

Mr. Boehm died Sept. 23 at Terrace Nursing Home, Waukegan. He had been a summer resident of Loon Lake for the past 30 years and a permanent resident for the past six months. He was a member of Antioch Moose Lodge Chapter 525. He was retired sales manager for Warp Bros., Chicago.

Survivors are his widow, Florence; two sons, Karl J. of Elmhurst and William G. of Antioch; and five grandchildren.

Entombment will be in Queen of Heaven Cemetery, Hillside. Memorials may be made in his name to either the Antioch Rescue Squad or the Cancer Society. Visitation will be from 2 to 10 p.m., Wednesday, Sept. 26, at the Ahlgrim Funeral Home, 567 S. Spring Rd., Elmhurst.

## St. Peters to sponsor Oktoberfest

In a continuing effort to provide inexpensive entertainment for the entire family, St. Peter's School Board is sponsoring their first Oktoberfest.

The evening begins at 6:30 on Saturday, Oct. 6. The Wolff family band will provide music for dancing or listening. In addition, there will be a visit from Steve Ksioszk and 'friend' and a sing-a-long with all the old favorites.

During the evening brats, hot dogs and accompaniments plus refreshments may be purchased.

### NAIM TO MEET

The Lake County Naim organization invites widowed persons to its meeting at 2 p.m. Sunday, Oct. 14, at Our Lady of Humility School Hall, Zion. Socializing will follow. For further information contact Mr. Frank Drang, 662-1725.

## Attendance bonus passed by board

Non-certified employees of the Antioch Grade School District will be receiving a bonus for better-than-average attendance, according to action taken at a meeting of the grade school board.

The new attendance premium program is to reward employees who have good attendance records and encourage employees not to miss work, said Grade School Supt. Donald Skidmore.

"Due to the varying rates of hourly pay and number of hours people are employed to work daily, we do not feel that it would be fair to establish a flat bonus for everyone," Skidmore explained in his notes for the meeting.

An attendance bonus equal to one-third of the individual's daily rate of pay or \$10 per day, whichever is greater, will be used to calculate the amount, he reported.

"In no instance shall the rate per day exceed the employee's daily salary," he added. The program is based on using five days absence as an acceptable average.

The maximum cost to the board if all non-certified staff had perfect attendance would cost \$3,422. The non-certified staff is made up of bus drivers, bus maintenance, secretaries, aides,

cooks and janitors and maintenance.

The program will be evaluated at the end of the school year.

"Our actual cost would be about a third or less of the maximum," Skidmore wrote. "It represents an inexpensive way to reward our employees who have good attendance records."

## Downspout study now under way

The Antioch building commissioner has completed a visual inspection of one-half of Antioch's downspouts to help determine if storm sewers are illegally hooked up to the sanitary sewer system.

Building Commissioner Richard Stroner said he had "quite a few pages full" of possible violations which

must be rechecked to see if they flow into the sanitary sewer. Stroner made the report at a meeting of the village board in committee.

Violators will be informed through a letter telling them to disconnect the illegal hookup or to inform the village where the downspout empties.

# Sequoits whip Warren with tough defense

In a "fantastic come from behind victory," Antioch's Sequoits whipped Warren 14-10 scoring a touchdown with five seconds left on the clock.

Sequoit running back Dennis Flaschner was credited with a "good ball game" by coach Steve Wapon.

Flaschner made 27 carries for 127 yards. Fullback Mitch Case had 12 carries for 50 yards, Wapon reported.

Defensive Coordinator Ted DeRousse noted an improvement in the Antioch defense, especially their ability to "play with great intensity and concentration," Wapon said.

**DEFENSIVE LINEMEN** Tim Ernstmeier, Tim Plett

and Jim Mancuso all played well, headed.

Two touchdowns were made by Flaschner, with Dan Behne kicking in two extra points.

Antioch made 15 first downs compared with seven by Warren's Blue Devils.

Two passes were completed for 15 yards out of nine attempted by Antioch and Warren completed four out of eight for 28 yards.

**THE SEQUOITS** rushed a total of 205 yards in 50 rushes and the Blue Devils rushed 150 yards with 37.

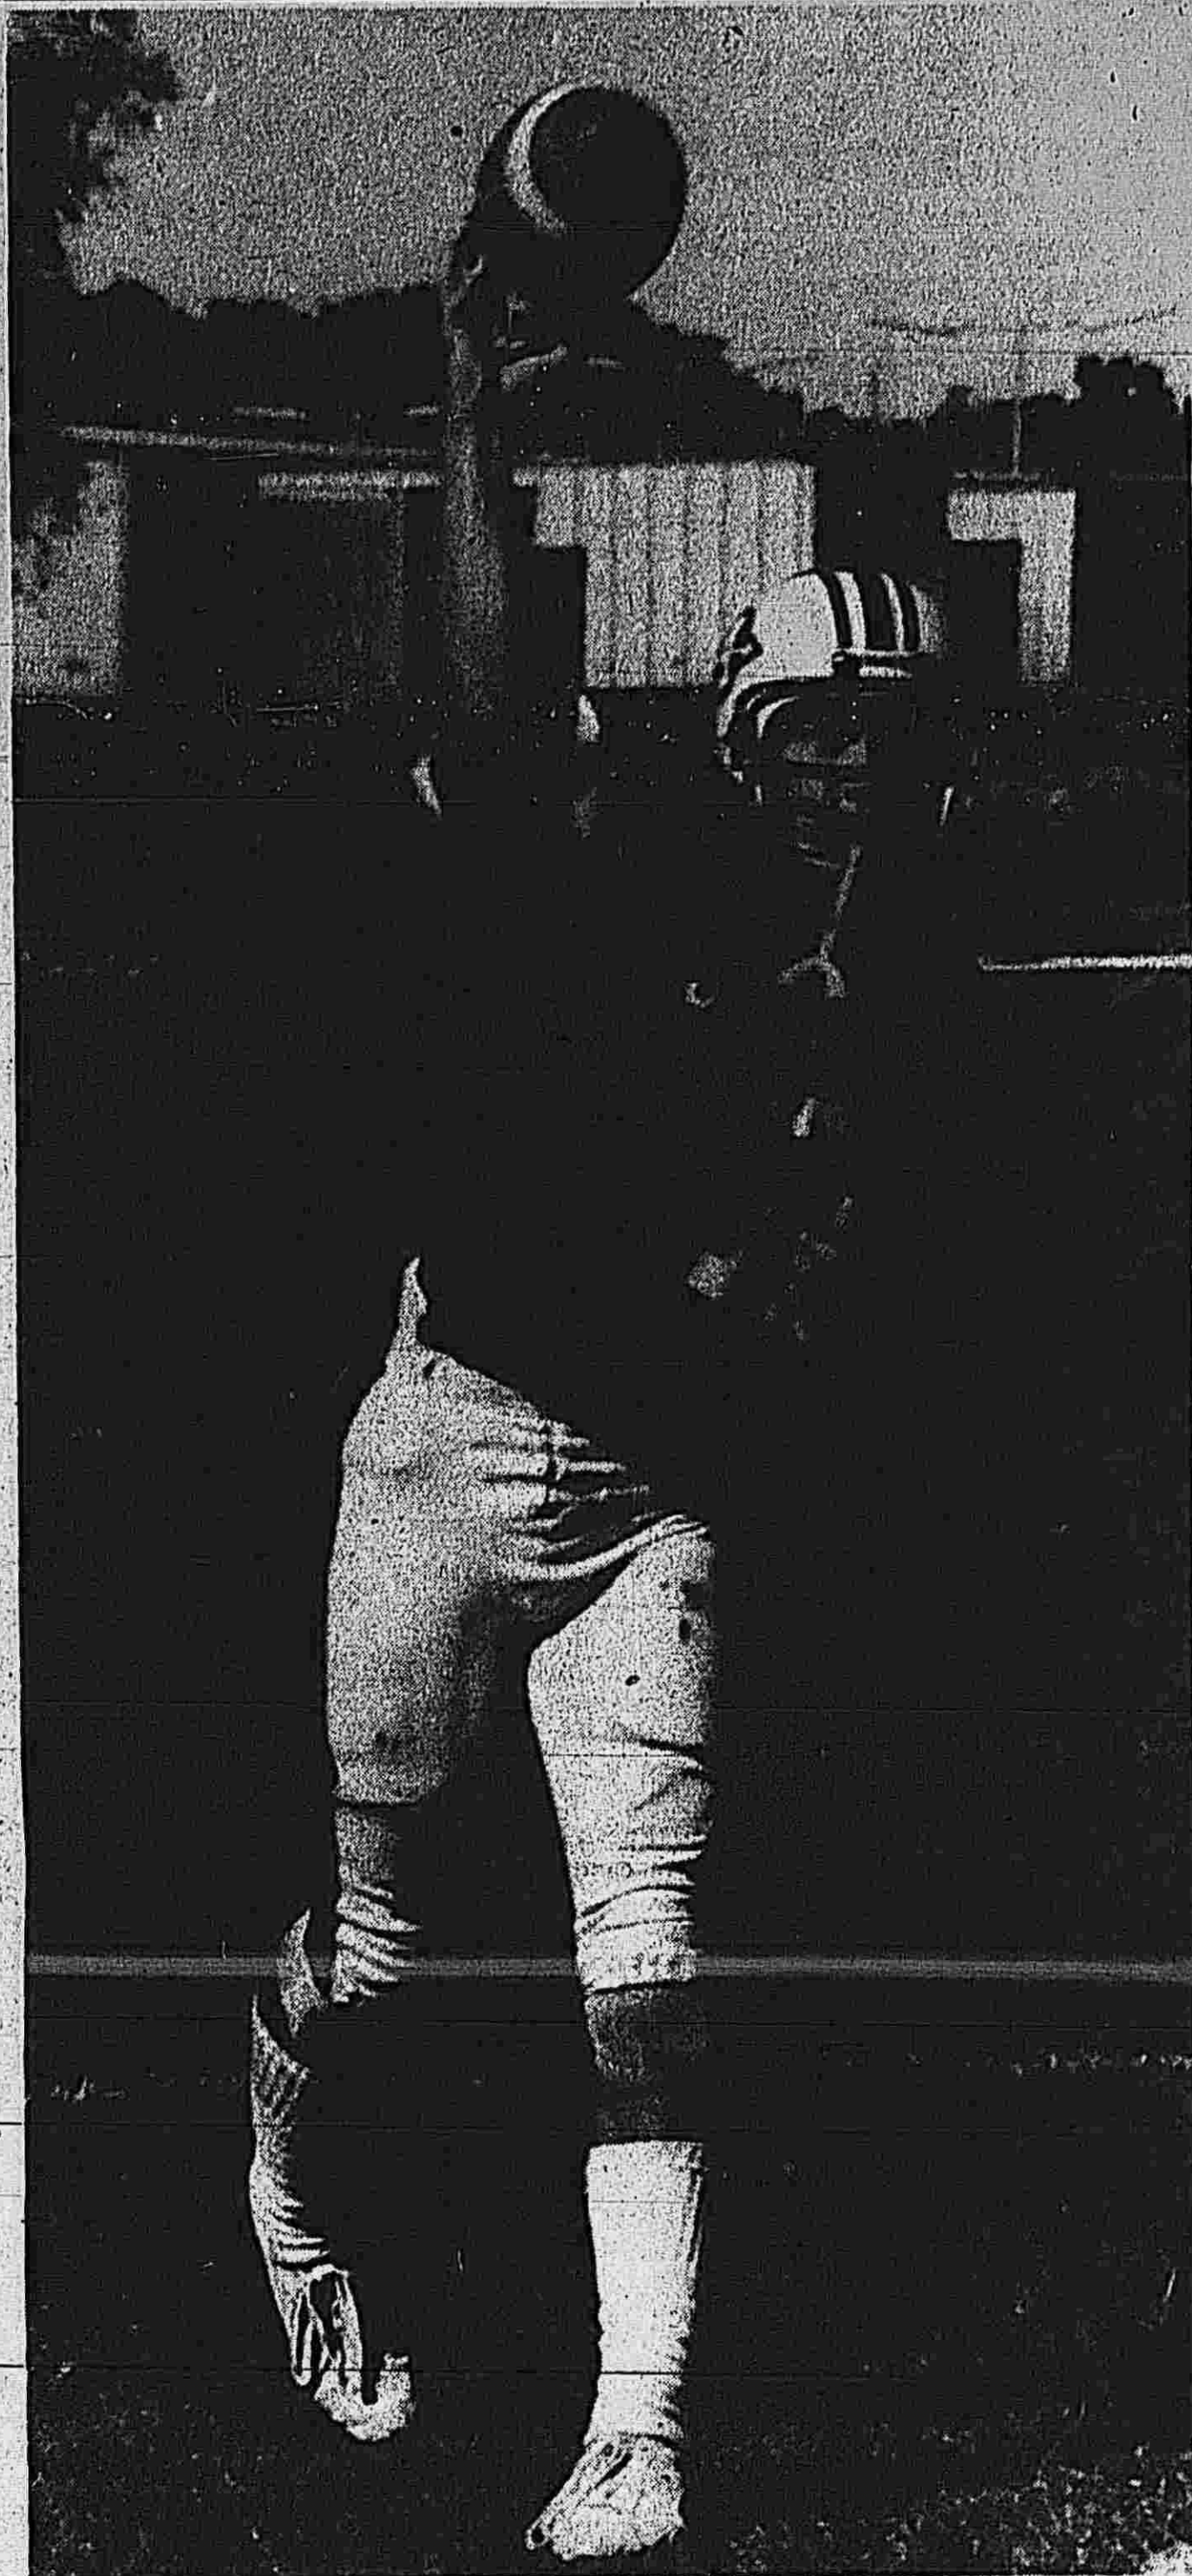

Late in the fourth quarter, a 72 yard drive of 120 plays was capped off by Flaschner's one yard touchdown run.

With one and a half minutes left on the clock at the Antioch 46 yard line, the Sequoits drove 54 yards to score with five seconds left on the clock.

"Fantastic blocking" aided Flaschner to make the touchdown. Senior halfback Greg Stevens, senior end Plett and junior tackle John Eckert were responsible for stopping Warren.

Offensive back Tim Webb "played very well for defense against the run," Wapon said.

Rich Brown, defensive back coach for the Sequoits, was "pleased by the improved play of the defensive backs," Wapon reported.

## Sequoit runners remain unbeaten

Antioch's Cross Country team improved their dual meet record to 5-0 with victories over Wauconda and Carmel.

Antioch runners finished first through fourth against both teams.

Robert Otten and Gary Miller finished with a time of 17:06 for the three mile course. Dave Anien and Alan Ware finished in a time of 17:27 and 17:28 respectively.

Antioch fifth runner was a seventh place finish by Mike Mattison.

The frosh-soph team split with Wauconda and Carmel, losing to Carmel by two points and beating Wauconda.

The frosh-sophs are undefeated in the Northwest Suburban conference with a 3-0 record.

Leading the team was sophomore Chris Wellens with a second place finish and freshman Mike Ray with a fourth place finish.

In the Warren Invitational Cross-Country meet, which

consisted of 20 teams, the varsity boys placed fourth and the frosh-soph placed third.

The varsity team was led by Robert Ottens seventh place finish. Ottens ran an excellent time of 15:13 for the three mile course.

Gary Miller placed 17th followed by Dave Anien in 33rd, Mike Matteson in 57th, Adam Venn in 74th, Dave Waters in 79th and Andy Dugenske in 88th place.

There were 117 runners. The frosh-soph team ran very well placing third.

Alan Ware finished fourth with a time of 16:07 for the three mile course.

Other finishers were: Dale Plechaty in 16th, Chris Willenc in 29th, Mike Ray in 30th, John Rivera in 53rd, Hawk Woolard in 59th, and Jim Degetter in 99th.

"This was the first time many of these young men have run a three mile race and all did an excellent job," said Coach Jeff Dresser.

## Antioch girls win invitational

Antioch's Girls Cross-Country team continued to run to victory with an impressive win over Wauconda.

The girls have improved their dual meet record to 4-0.

Sophomore Gail Plechaty and senior Carrie Corso led the Sequoits in a one, two finish.

Plechaty timed in 13:37 and Corso in 13:51 for the two mile course. Diane Otten followed in fourth place, with Freshman Dawn Wacki in fifth and Nancy Harland in sixth place.

Other finishers were Mary Mattson, freshman Pattie Friedman, Beth Pilkington, Shelby Volling, Anna Anderson, Diane Jurgaitis, Zora Greic and Tammy Schalenburge.

In the Warren Invitational Cross-Country meet Saturday, Sept. 22, the girls ran to a first place finish out of 20 teams.

The girls nearest competitor was Mundelein, which had beaten the girls the week before. "Good performance by all brought victory to the girls," said Coach Jeff Dresser.

Gail Plechaty and Carrie Corso again led the team with a second and fourth place finish.

Both ran very good times for the 1.9 mile courses, Plechaty in 11:04 and Corso in 11:07.

Diane Otten also ran a very good race finishing in ninth place and freshman Dawn Wacki finished 20th and Nancy Harland was 31st.

These first five runners account for the team score.

Also running and finishing very strong was Mary Mattson in 50th place and freshman Shelly Volling in 77th place, out of 92 runners.

## Field hockey team loses tough ones

The Antioch Girls Varsity Field Hockey team continued their regular season play on Monday, Sept. 17th, with a 2-0 loss to a strong Lake Forest team.

Antioch played Lake Forest "virtually even" except for two short periods of time when the Scouts scored, according to Coach Chris Coolidge.

A strong defensive game by Laura Ogden was "instrumental" in keeping the

score close.

On Sept. 19, Antioch played well again but lost to last year's state quarter-finalist Oak Park. Antioch scored first with a goal by Lori Nohlecek; and maintained the lead throughout the first half. Early in the second half Oak Park scored twice to claim the victory.

Antioch's next game is Friday, Sept. 28, against Schaumburg.

## Motocross racing planned Sept. 30

The Maplehurst Cycle Park will host its second to last day of motocross racing for the 1979 season on Sunday, Sept. 30.

The races conducted by Slo-Pokes will have sign-up from 7:30 until 9:30 a.m. with practice at 8:30 and the first race at 10.

There will be five classes of competition, which are mini A-B, 100 A-B, 125 A-B, 250 A-B and open.

The challenging European-style course is open for practice every day but Tuesday. There are plenty of trails available

along with expert, intermediate and bunny tracks.

Camping is available on the grounds along with food, refreshments and motorcycle parts and accessories.

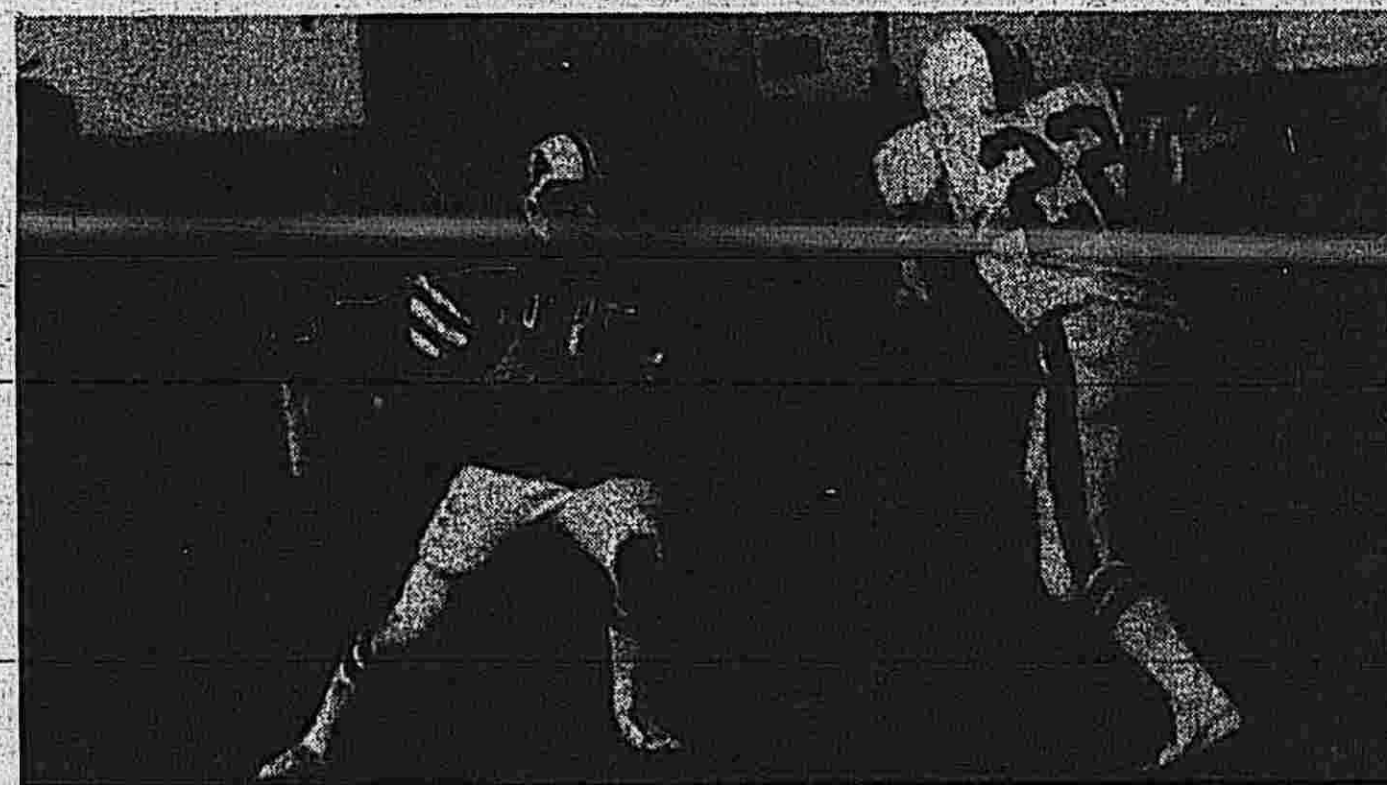

The Jack Hill trophy for the best performance in overall competition will be awarded following the races Oct. 28.

The park is located at 11001 Wilmot Rd., just northwest of Antioch in Spring Grove.

## INSURANCE INFORMATION

We have just acquired a rather large dog (an Irish Setter). Are we responsible for any damage the dog might cause? If so, is there insurance for such situations? Legally, any animal owner is responsible for the actions of that animal. Property damaged by the dog would be paid for under a basic Homeowner's Policy or a Comprehensive Personal Liability Policy. If the dog should bite anyone, you would be protected by the medical payment coverage under either of the policies. Medical payment coverage would generally include all reasonable expenses such as medical services, surgery and x-ray. With most policies there is a basic limit to the medical payment per person. However, should you decide you need it, this limit may be increased with an additional premium charge. This coverage applies to any animal owned or in the care of the insured.
